

Course Registration and Class Start Dates for Selected Intensive Courses in the Academic Year 2026 Second Semester
(Excluding courses that follow the regular registration schedule and specially offered courses)

2026/10/7 Academic Affairs Section, School of Design

1. This information will also be distributed through the student portal (Campusmate-J). However, for detailed information regarding class schedules, course content, and other course-related matters, please check the syllabus and Moodle.
2. For courses that indicate a registration form or application form under the course registration method, please submit your course registration using the link provided. Applications submitted outside the designated registration period will not be accepted.
3. Course withdrawal is not permitted. If you wish to cancel your course registration during the registration period, please contact the Academic Affairs Section, School of Design (gkgkyomu@jimu.kyushu-u.ac.jp) by email.
4. For intensive courses not listed in this document, please register for the courses according to the regular course registration schedule. In addition, information regarding specially offered courses will be announced separately through the student portal as needed.

【School of Design】
